

## NARBERTH ON TOP IN CRUCIAL GAME

Locals Tie Up League Leadership by Downing Berwyn  
9 Runs to 2.

### PLAYOFF IS SATURDAY

By John Uberty.

For the first time in three years Narberth succeeded in emerging triumphant over Berwyn, one of the strongest and gamest nines that has ever faced the home club. Twice victors over the locals by the close scores of 5-3 and 5-4, the first in an independent game, while the second was that nerve-racking league tilt on western soil, the Narberth Club has finally turned down the most dangerous team of the Main Line League by a 9-to-2 score and thus earns a second crack at the championship of the Main Line.

The first inning proved disastrous to the westerners when the locals scored six runs out of seven hefty nicks. Gilfillan's round-tripper in this session added to the rat-tat-too sound of the Walzermen's sticks, at which time he scored two of the local marks when he forced in Babb, who was stationed on first. A newcomer on the keystone cushion, by the name of Sullivan, though subject to errors in the first part of the game, came out of the trance and played brilliantly in executing double killings. Three such plays retired the visitors in quick order, upsetting all hopes after they had found themselves fortunate enough to get by on a ticket, for their hits were very scarce. Narberth pounded Noblitt, the greatest amateur hurler of the Main Line League, for thirteen valuable bingles, while the invaders got away with four after they had been held hitless up until the seventh.

A dose of southpaw pitching strangled the Berwyn nine from the very start. It was in the seventh frame that they scored their two and only runs of the game and that on account of an error.

There were approximately one thousand fans on hand to welcome the home talent when they took to the field. Jimmy Noblitt, rival ace, was given the customary instructions before taking to the box; the same old "keep cool" and "don't mind the crowd" line. Lefty "Rube" McKenty, Harrowgate twirler, displayed his talent to the record crowd. The secret of McKenty's success he attributes to that one thing which never left him during the whole game: the smile that he wore throughout the whole fracas. Even when Berwyn came through with their two counters, he smiled it off. "Rube," who has hurled Harrowgate to a sensational victory over Hildale, twice conquerors of the local club, was more than a match for the game and plucky Noblitt.

Gillespie doubled along the ribbon in right field and Nick Carter singled between first and second, scoring Johnny. Jeffries singled over the first baseman's reach, promoting Nick to third and Vernie passed one while Jeff purloined second. Fleck sent out a hot triple to center, admitting the former Princeton star. Sullivan fled to left, whereupon Fleck skipped home. Humphries was chucked out, Verna to Shank, and Babb sent out a grounder to left center for one base. It was then that Gilly crashed his boisterous blow out to the highway, scoring Babb, who was stationed on first. McKenty rolled out to left and Gillespie popped to short.

### RITNER-DURBIN

The marriage of Miss Dorothy Margaret Durbin, daughter of Mr. and Mrs. Robert H. Durbin, of 231 North Narberth avenue, and Mr. Thomas A. Ritner, of East Orange, N. J., took place at 6 o'clock Wednesday afternoon in the Narberth Presbyterian Church. The Rev. John Van Ness officiated.

Mrs. Louis A. Winne, of Wilmington, sister of the bride, was matron of honor and Mr. A. Perry Redifer, Jr., of 19 Woodbine avenue served as best man.

The ceremony was followed by a dinner at the Bellevue-Stratford.

### Post Will Elect

The active season of the Harold D. Speakman Post of the American Legion will commence with a meeting Monday night at the Community Building, Commander Robert C. Collins announced this week. This will be the first post affair since July.

A lively meeting has been planned and election of officers for the coming year will be held at that time. Every member of the Legion is urged to come out and aid in electing the proper officers to insure continued activity of the local post. There are many plans of interest to the community which the Legion hopes to carry out this year.

## L. M. ATTENDANCE REACHES NEW LEVEL

Enrollment of 3943, Largest First Day Total on Record.

BEATS 1927 BY 204

Enrollment at the fall opening of term Monday was the highest in the history of Lower Merion public schools, declared Superintendent S. Edgar Downs at the September meeting of the school board held Wednesday night in his office at the Senior High School, Ardmore.

In the Senior High School 713 pupils reported the first day, and of these over 230 are Seniors, who will constitute next June the largest graduating class in Lower Merion history. On the same day 550 reported for study in the Eighth and Ninth grades at the Junior High School, and by the end of the week the total for that school had increased to over 600.

The opening enrollment was 3943 for all the schools in the district, or 204 more than the total of 3739 reported at the beginning of classes last year. In all schools there will be additional enrollments as the term advances.

First-day totals for the grade schools in the township were reported as follows: Ashland, 439; Bala, 195; Bryn Mawr, 417; Cynwyd, 358; Merion, 264; Merion Square, 142; Ardmore, 525, and Wynnewood road, 320.

"For the first time during my 14 years in Lower Merion," Mr. Downs told the school directors, "no resignation of a teacher took place during the summer." He reported a faculty including 204 regular full-time teachers for this year.

Selection of the following teachers during the summer was approved by the directors: Esther Fredericks, graduate of Temple University and an instructor at Cornwells Heights, as physical director in the elementary schools, Florence E. Nicholson, graduate of the University of Southern California, with experience in Los Angeles, as high school instructor.

### TWO ROTARY SPEAKERS

Green Discusses Constitution—Dr. Hoffman Other Speaker.

In observance of Constitution Week the Bala-Cynwyd-Narberth Rotary Club heard an explanation of the document from its lawyer member, W. Russell Green.

Mr. Green discussed the constitution from the angle of its history, and also explained various parts. He told of the origin of the document after the failure of the articles of Confederation. The vision of Washington was mentioned as the impetus behind the calling of the constitutional convention in Philadelphia.

The talk, a brief one, gave the members an insight into this remarkable document, so often discussed but so seldom read. Emphasis was placed on provisions dealing with seating of senators and election of presidents.

Dr. Romaine C. Hoffman, second speaker at the luncheon, gave a personal history talk similar to those delivered by other members of the club from time to time. He told of his early life in Brooklyn, of his education at the Hahnemann Medical College, and of his internships. Scattered through the talk a series of anecdotes and amusing references kept the members a-chuckle. Dr. Hoffman has maintained his practice in Narberth for 20 years.

### W. H. M. S. TO MEET

The Woman's Home Missionary Society of the Methodist Episcopal Church will meet at the home of Mrs. C. E. Harnden, Moreno road, on Thursday, September 20, at 2:30 o'clock. A large attendance is desired.

### PLAN IMPORTANT SESSION

An important meeting of the Evangelical Circle of King's Daughters, to be held Wednesday, October 3, at one o'clock in the west wing of the Community Building, on Windsor avenue, was decided upon by the executive board of the Circle which met recently.

## See Successors to L. M. Stars of Past Years on Present Grid Squad

The weather of the past two weeks has been so uncondusive to all that is best in football, Coach Adam and his assistants have held only light workouts at Ardmore each day for the football squad which will endeavor to glorify Lower Merion High this autumn. These workouts have been such that permitted only one or two light scrimmages in order to smoothen out the running attack on off-tackles line bucks and passes.

And speaking of passes, Coach Adam has the best ball tossers on his squad since Derham left school five years ago. Remember Quarterback Derham who could throw the football 50 yards and hit a dime, or better still, rest it lightly on the fingertips of Peterson or Folwell Scull as they sped untouched past the goal line? There are exactly three men on the varsity this year who can pass as well and three more who can pass just about that well. In addition, Lower Merion has three ends who receive the ball equally as well as Peterson could, and who are not so slow in reaching the open either.

### ELWOOD-MAGUIRE

Narberth Girl Married in Valley Forge Chapel Friday.

In the Valley Forge Memorial chapel at 3:30 last Friday afternoon, Miss Edith Eleanor Maguire, daughter of Mr. and Mrs. Joseph D. Maguire, of 300 Grayling avenue, became the bride of Mr. Thomas Arthur Elwood, son of Mr. and Mrs. Thomas Elwood, of Ventnor, New Jersey. Dr. W. Herbert Burk officiated.

The bride, who was given in marriage by her father, wore brown transparent velvet, trimmed in point lace, and carried a bouquet of pink sweetheart roses and blue delphinium. The maid of honor, Miss Elizabeth Maguire, sister of the bride, was dressed in bottle green and carried yellow roses. Mr. Wilton Stackhouse, of Price avenue, was the best man.

After a reception for the immediate families at the home of the bride, the young couple left on a trip to the Poconos.

Both Mr. and Mrs. Elwood have been members of the staff of the Livingston Publishing Company for several years, and plan to resume their regular positions—Mr. Elwood as associate editor, and Mrs. Elwood as social reporter. They will make their home in Bala.

## Red Cross Appeals for West Indian Relief

At the request of President Coolidge the Main Line branch of the American Red Cross, is engaged in raising a relief fund, to relieve suffering caused by the recent hurricane, in West Indies.

Over a thousand people are reported killed and 700,000 homeless in Porto Rico and the Virgin Islands. The storm also destroyed fully 80 per cent. of all crops, coffee and sugar, on which the islanders depend for support. The appeal has a special force because this is the first time the citizens of the United States have been asked to help the people of these islands, who are also citizens of the United States.

Contributions are solicited, and should be sent to the Maine Branch, American Red Cross, Memorial Building, Bryn Mawr.

### Commences Season

The Mothers' Council commences the fall season with a "Get Acquainted Meeting" for the teachers and mothers of Narberth school children. It will be held in the library of the Narberth school building on the evening of Thursday, September 27, at 8 o'clock. All mothers are most cordially invited to come.

The note books of the children who were in the Vacation Reading Club are to be left at the Community Library on October 1. The certificates and prizes will be awarded during Educational Week, which occurs in November.

## FORMING HOOVER CLUB IN BOROUGH

New Organization To Foster Support for Republican Candidate

### MEET ON WEDNESDAY

One of the most recent manifestations of this Presidential year is the formation of a Hoover Club in the Borough. This organization whose membership will include both men and women, will endeavor to organize support for the Republican candidate in the three voting districts of Narberth.

The first meeting of the club will be held next Wednesday, September 20, at 11 o'clock, at the home of the chairman, Mrs. E. C. Town, 200 North Narberth avenue. All men or women interested, whether they have been approached personally or not, are welcome.

The following women have signified their readiness to aid the club in its endeavors to enlist support for Hoover: Misses Emma and Florentina Mueller, Mrs. A. J. Kirkpatrick, Mrs. R. C. Hoffman, Mrs. W. H. Elsbree, Mrs. E. H. Cockrill, Mrs. Leroy Robertson, Mrs. J. W. Darville, Mrs. John D. Jones, Mrs. Morton Bailey, Mrs. Horace B. Murray, Mrs. Frank L. Scott, Mrs. Eberhardt Mueller, Mrs. L. C. Douglass, Mrs. E. C. Griswold, Mrs. Mary Livingston.

### MR. CUSTER ELECTED

C. R. C. Custer, of Avon road, has been elected assistant secretary and assistant treasurer of the Autocar Company of Ardmore, according to announcement made last week, following a recent meeting of the board of directors.

Mr. Custer has been a member of the Autocar organization for the past 10 years. During a large part of that time, he was auditor of the company and as such was the central office executive in charge of the accounting activities throughout the company's extensive system of branches. More recently he has been a traveling factory representative directing various branch operations.

### DRY FOR AWHILE

Charles Decker, Main Line cooperative weather observer at Narberth reports a dry week for the seven-day period ending Tuesday night, although the scene abruptly on Wednesday. A trace of precipitation was shown by his instruments on Wednesday and Thursday of last week.

The highest temperature was 88 last Thursday—the lowest 55 on Saturday. The prevailing kind of day was partly cloudy.

### Junior High Squad Out

Football candidates were called out Monday afternoon for the Junior High School football team at Ardmore. Coach Suloff is in charge and has a problem to cut the squad satisfactorily from 90 ambitious and eager boys down to 25. This will consume his time and efforts for the first 10 days of preliminary practice.

Soccer practice has also started at the Junior High School under the coaching of Messrs. Perkins and Mattis. This squad is likewise too "numerous" and the coaches will shave the number off during the first few days of practice. Schedules for these two teams are being made and future stars for the Senior High teams are in the making.

## COLLECTION RULES EXPLAINED ANEW

Question From Borough Resident on Paper Disposal Answered.

### TOWNSHIP OWNS DUMP

The following communication to the Editor from the chairman of the Highway and Sewer Committee of Council is an answer to questions which have arisen in the mind of one borough citizen as a result of the new collection rules recently promulgated. It is felt that this matter is one of general interest and that the misunderstanding is not confined to this citizen alone who requested that Our Town investigate the matter and make a report thereupon. To the Editor of Our Town:

"Thank you for referring to me the communication which you received from a citizen who desired more information regarding the new rules governing the collection of ashes and rubbish. In the first place, it should be pointed out that the only dump which is available for us in that which is owned by Lower Merion Township. The township authorities have courteously permitted us to use that dump free of charge for several years. It has now become necessary for the township to spend several thousand dollars in connection with the maintenance of the dump and to hire a man to be permanently in charge of it. In order to meet these expenses, the township authorities have established a set of fees which will be charged everyone, including all residents of the township, who makes use of the dump.

The man who is to be placed in charge of the dump is to be paid a small salary and, in addition, he will have the privilege of disposing of all salvagable material which is dumped there. He is installing a paper-baler for that purpose and, therefore, the township authorities are requiring everyone to bring paper rubbish to the dump entirely separate from all ashes or other rubbish.

The new rules governing the dump, which we have recently communicated to the people of Narberth, are a necessary reflection of the requirements which the township authorities have laid down. Those printed rules mean exactly what they say and should be interpreted literally by all citizens of the borough. All rubbish and ashes, except paper rubbish and garbage, may be put in the same container which must be of metal if it contains ashes. It is not necessary to separate ashes from other rubbish, except paper and garbage.

It is true that if we were able to collect entirely clean ashes they could be used for filling and grading and might occasionally be salable for that purpose. But in order to accomplish that we would have to impose additional restrictions upon the people of the borough and, as it is the conception of the Highway Committee that it is our duty to give the citizens continually the greatest possible amount of service, rather than to sell clean ashes occasionally, we are not requiring that ashes should be kept entirely separate.

No reasonable interpretation of the new requirements would make it necessary for any citizen to spend the time to pick small pieces of paper out of the ashes or milk bottle caps out of the paper rubbish. However, in the case of any citizen who does not follow the new requirements with reasonable care, the containers will not be removed from his property by the borough collectors.

The regulation with reference to garbage is not a new one, but was included in the printed regulations which were recently sent out so that they should be complete. There has been no change in the garbage collection service which continues to operate on an entirely separate and independent basis from the collection of ashes and rubbish.

ROBT. F. WOOD,

Chairman Highway and Sewer Committee, Borough Council.

### GOODFELLOWS TO GATHER

The first fall meeting of the Goodfellowship Club of Narberth Methodist Episcopal Church will be held on Friday evening, September 28, 1928, at 8 o'clock, at the home of Mr. J. R. Hall, 2 Sabine avenue. A large attendance is hoped for and light refreshments will be served.

## A Term Which

## Did Not "Click"

In last week's issue our local baseball club was referred to as the "Narberth-Pennac" team. This was a bit of humor on the part of the young sports writer who has faithfully reported the games this year. As it was actually a mis-statement we are glad to correct it. The fact that three or four of the men who played with the Pennac team up to the time that that club closed its playing season have since joined the Narberth organization, does not alter the fact that Narberth is still Narberth and that the management is made up entirely of local men and that most of the players are either Narberth men or have been identified with the local organization so long that they are regarded as Narberth talent. These erstwhile Pennac men are good ball players and a credit to the Narberth club, and they have made many friends among the fans. "Our Town" will in the future—as in the past, do its utmost to boost the Narberth club, and herewith extends its best wishes to management and players for a victory in Saturday's championship battle with Berwyn.

Just as if You Went a-Visiting  
in 1776—

Right up the flag-stone path you go to the Colonial porch—tap on the brass knocker—enter the big, broad Colonial living room, furnished with real antiques. In the huge fireplace, where an old, iron crane rests, the logs are crackling beneath the simple, antique mantel. Hand-wrought hinges on the doors—pewter wall fixtures (and the candles look real)—chintzy wall paper that looks down on quaint four posters resting on the old, Colonial plank floor. It's all very real—very beautiful—and delightfully old fashioned in the

## WAYNE

On the P. R. R.  
Main Line

These homesteads are on plots of from one-and-one-half to five acres, and are priced at from \$32,500 to \$42,500. You're only 32 minutes to Broad Street Station, with a commutation fare of 16 cents. Within the Colonial Village are golfing, public and private swimming club, skating club, children's playgrounds, horseback riding, riding academy, private school and public. Adjoining the village are 2000 acres of State Park.

Despite the old-time Colonial flavor, inside and out, of these appealing homesteads, you have the last word in modern comforts, from a built-in phone booth to vapor heat—from an electric ventilating fan in the kitchen to electric wall heaters in the two bathrooms.

Won't you come out and see something so out-of-the-usual that it will linger in your memory for many and many a day?

Motor out Lincoln Highway to Wayne, then north five minutes on Wayne Avenue. Or out Montgomery Avenue, four minutes west of King of Prussia. Open Daily till 9 P.M.

## YOUR INVESTMENT

You have made your home in this community and are, in a  
sense, an investor in the welfare of this Commonwealth.

The merchants have also invested here, to grow and to help  
the town thrive.

They are instrumental in bringing to this neighborhood new  
business that will mean growth and prosperity.

So, then, it is a mutual investment between us all.

You can count on the merchants to uphold their end, but they  
must have your help—your patronage—in order to make  
our investment pay.

**New Savings Plan**

A new idea in banking, the Assured Savings Plan has been inaugurated here by the Merion Title & Trust Company, whose main office is in Ardmore. The plan provides for regular and continued deposits of savings by patrons when physical disability might tend to prevent these.

It is based upon the results of several surveys and analyses of the savings account business in general all over the country. These showed a tremendous loss of saving account business through its instability, and this loss proved the fact that 94 per cent. of the cases of withdrawal or dormancy were caused by inability on the part of the depositors to make continuous deposits or even to maintain any balance.

Most savings account deposits are made out of earned income, and when income stops, in most cases deposits stop also. The prevalent cause of income stoppage was proven to be physical disability of depositors. Inability to earn caused inability to deposit.

The solution has been to provide a substitute for earned income. This has been done by the assured savings plan.

**To Have Home**

The Girl Scouts of the Main Line District, will have their own headquarters after October 1. They will be located in the Community Health and Civic Association Building, 25 Athens avenue, O'Armore, and Miss Jane Newhall, field director, will be in charge.

A separate field captain for District No. 8 has been discussed for some time, and found increasingly necessary, in order that the work of the district may progress rapidly.

This is a big venture for the Main Line Committee, which is sponsoring it, but one that is sure to meet with the approval of the people of the Main Line, according to Mrs. Lewis Van Dusen of Overbrook, newly elected chairman of the Main Line Committee. The field director reports that the present 16 troops of the district are preparing for their opening meetings and all will be in full swing by the first week in October.

The Ardmore troop is in need of a lieutenant according to Mrs. Nelson Warwick, of Ardmore, captain. A girl 18 years old with scout training is desired preferably though one with experience is not necessary. A training course can be taken.

NOT so long ago a telephone call to that out-of-town friend was a complicated process.

Try it today!

It's snappy—speedy—simple.

Even up to forty or fifty miles, an out-of-town call is just like a local call.

All you need is the number. It's in the telephone directory, or "Information" will give it to you.

The operator will do the rest.

**"WHAT THE COMMUNITY EXPECTS"**

The community is much interested in a storekeeper and his business. It wants the store to be of the best appearance, the storekeeper to be thoroughly trained and skillful, so as to do his work speedily and economically. A storekeeper who can fulfill these conditions is a very valuable person to the community. This is true of all who are seeking a livelihood. We expect of a merchant that his goods shall be of honest weight and measure and of the quality represented.

### is the NEW STYLE

A triumph in individual beauty ... a refreshing and radical departure from the tiresome commonplace ... a new style, a richer style, a more alluring style than the world has ever known!

THE  
SILVER  
ANNIVERSARY  
**BUICK**

With Masterpiece Bodies By Fisher

Only one completely new motor car style in the past twenty-four months—only one truly original and beautiful development in body design—and, as the whole world realizes, it is the Silver Anniversary Buick with Masterpiece Bodies by Fisher!

Here is an entirely new scheme of body lines and contours—arresting new color combinations—matchless new interiors—new appointments of comfort and convenience unapproached by any other automobile of the day!

Here is true distinction wedded to genu-

ine good taste. Here is a new style—a richer style—a more alluring style—than the motor world has ever known. And here, too, is tremendous increase in power, in flexibility, in responsiveness—so outstanding as to amaze even those motorists who have long been familiar with Buick's superior performance.

That is why America is according the Silver Anniversary Buick the most enthusiastic reception every enjoyed by any fine car. That is why this beautiful new Buick has already become a country-wide vogue!

# Four Speeds Forward

Driving with four speeds forward, you  
have two high speeds instead of one. The  
gear shift is standard—you start in second,  
advance to third, and then to fourth.  
First is a reserve speed, instantly avail-  
able, but seldom used. Four speeds for-  
ward give a new thrill to motoring—  
which we invite you to enjoy.

{ Two High Speeds  
Standard Gear Shift }

Five chassis—sixes and eights—prices rang-  
ing from \$360 to \$2485. Car illustrated is  
Model 619, four-passenger Coupe, with 4-  
speed transmission (standard gear shift),  
\$1575. All prices f. o. b. Detroit.

THE WORLD HAS A NEW AND FINER MOTOR CAR

Special Six "400" Sedan

**Buys this Twin-Ignition-Motored, Salon Body  
"400" Sedan, fully equipped**

More Nash cars were sold in August  
than in any month during the entire  
12 years of Nash success!

The new Nash "400" is the car of  
the year—everybody says so—com-  
parison with the other new cars  
offered convinces everyone who  
compares.

Study the big Nash "400" Special  
Six Sedan illustrated here. You'll  
never find so satisfactory a car at  
anything like its completely  
equipped, delivered price.

It has the new Twin Ignition, high  
compression motor, the new Salon

Body. It is the easiest steering car  
the motor car industry ever has pro-  
duced. And one of the easiest  
riding, with a full 116-inch wheel-  
base and Lovejoy hydraulic shock  
absorbers, front and rear.

And every single accessory, even to  
bumpers front and rear, and a spare  
tire is included in the price, deliv-  
ered to you, right here.

Don't think of deciding on your  
new car until you have seen this  
new Nash "400," and tried its re-  
markable new Twin Ignition per-  
formance.

## BRUSHING UP

French Dictionaries Are in Demand at Library of Late.

It is not just because returning vacationists have talked so enthusiastically of bilingual Quebec that there has been shown at the library an increased interest in the French language, though that may have had its influence. It is rather because the Literary Guild has chosen for its September selection "Francois Villon, a Documented Survey," by D. B. Wyndham Lewis. Hilare Belloc, who has written the introduction, calls it a work of great scholarship and research, wherein the author has discovered all that Villon was, within and without.

In perpetuating his discoveries, the author has quoted liberally from the native language of the subject of his biography, hence the demand for French Dictionaries at the library. Wyndham, himself, was born in Maine of English parents, and was brought up in England. At the age of 15 he began the study of art, winning promptly a prize usually won only by much older students. He is a startlingly interesting man, and is recognized in England as one of the most talented and versatile personalities of the present time. His entrance into fame was through his leadership of the advanced English painters in the style called Vorticism. He became a colleague of Roger Fry in the organization of the Omega Workshops in Bloomsbury, where workers made furniture and did interior decorating, not as decorators, but as "artists," thus being forerunners of the modernist furniture in America.
